

### Players

All Bourse Junior League players must be fully paid members of the GSRA. Players are expected to stay for the full hour to play their match and to assist with marking. Friendly matches will be arranged when no competitive matches are available. All new players will be placed in the League at the discretion of the league organiser.

### Arranging Matches

All matches in the Junior League are organised by the GSRA and should be played at the designated times - divisions 1 & 2 Saturday 4pm – 5pm, divisions 3+ Saturdays 3pm – 4pm. Players unable to play their match, should contact their opponent and the GSRA. For rearranged matches, results should be sent to the GSRA office.

### Scoring System

All matches are best of 5 games, PAR scoring (up to 11, scoring on any serve, tie Break at 10-10 player to win by 2 points).

Points:

3-0 – 6-1

3-1 – 5-2

3-2 – 4-3

Players not wearing a Bourse t-shirt will incur 1 penalty point for each match, this includes matches not played on scheduled day.

### Penalty Points

The penalty points system has been introduced to ensure that the rules are adhered to and will enable the league to run efficiently. Penalty points are awarded for the following: bad sportsmanship, not marking/refereeing, not wearing bourse league t-shirt and breaking league rules.

### Marking of Games

All juniors are expected to mark/referee games. Those juniors who struggle with this will be given assistance. It is aimed that the 2 players next on court will mark/referee the match before their own or players will mark/referee the match after their match on the same court, at the discretion of the organiser. **Players unwilling to mark/referee matches will be awarded penalty points.**

### Results

The number of points accumulated determines the final positions in the League. If 2 players finish on the same points, the number of games played and then results between the players will determine the order.

Top two players will move up, next two will stay put and bottom two will go down (dependent on numbers).

Results from each week will be emailed to players and available on our website.

### Winners

At the end of each cycle, the player finishing at the top of a division will win a league winners t-shirt. This t-shirt may be worn instead of the original Bourse Junior League t-shirt provided at the start of the season. Each player can only receive one t-shirt for each separate division won per season.

### Walkovers

Please remember players are in the League to play matches. You must contact the GSRA office if you wish to claim a walkover. Each case will be decided on its own merits. **Walkovers are only taken as a last resort.**

### Omission

You must play all your matches to have a chance of being selected for the Island Junior Squads.
